GPA EDC RELEASES 2008/2009 COMMUNITY PROFILE

The Greater Peterborough Area Economic Development Corporation (GPA EDC) is pleased to announce the completion of the 2008/2009 Greater Peterborough Area Community Profile.

The Community Profile is a compilation of demographic information and data from a variety of sources and is used by businesses, investors, start-up companies, community groups, students and others interested in information about the Greater Peterborough Area (City and County of Peterborough).

A wide variety of information is included in the Community Profile such as information from Census Canada and Statscan regarding population, the local labour force and wage rates. Other information was gathered from a number of additional resources includes tax rates for Peterborough area municipalities, major employer numbers (in both the industrial and non-industrial sectors), investment costs, and recent building activity.

The free Community Profile is available on-line at www.gpaedc.on.ca or you can visit the GPA EDC office at 210 Wolfe Street, Peterborough to pick up a copy.
